Translation by Laura Collado Píriz

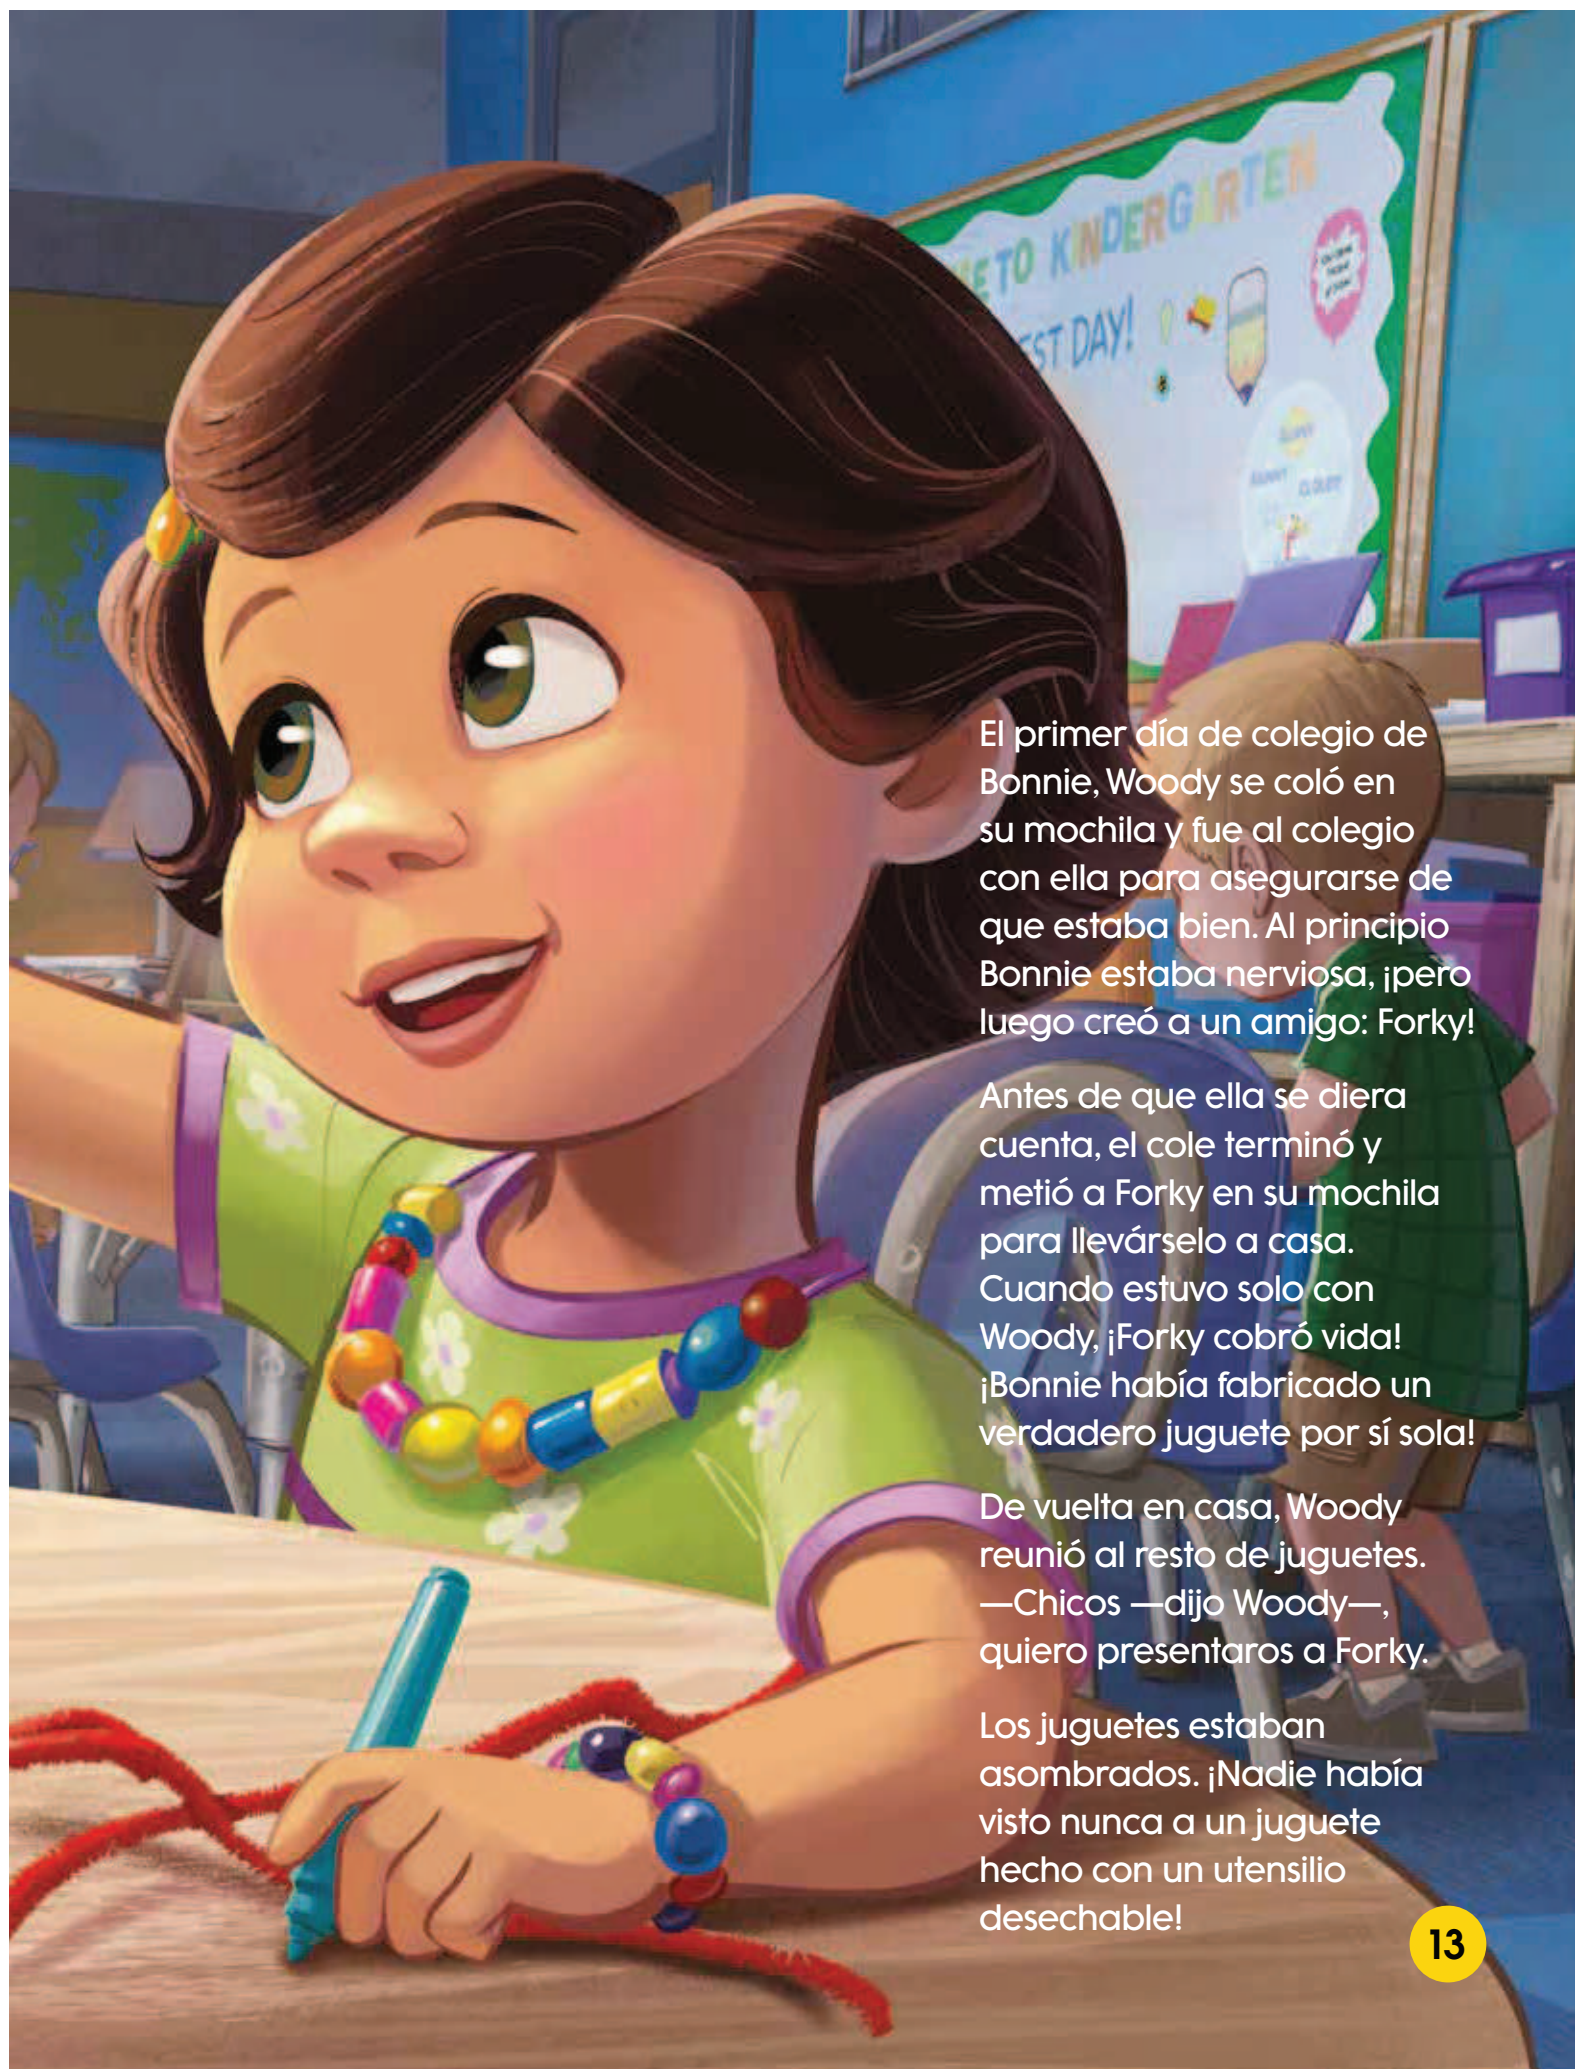

On Bonnie's first day of school, Woody sneaked into her backpack and went to school, too, to make sure she'd be okay. Bonnie was nervous at first, but then she made a friend, Forky!

Before she knew it, school was over and she put Forky in her backpack to take home. Alone with Woody, Forky came to life! Bonnie had made a real toy of her very own!

Back home in Bonnie's room, Woody gathered the rest of the toys. "Everyone," said Woody, "I want you to meet Forky."

The toys were shocked. Nobody had ever seen a toy made from a disposable utensil!

El primer día de colegio de Bonnie, Woody se coló en su mochila y fue al colegio con ella para asegurarse de que estaba bien. Al principio Bonnie estaba nerviosa, ¡pero luego creó a un amigo: Forky!

Antes de que ella se diera cuenta, el cole terminó y metió a Forky en su mochila para llevárselo a casa. Cuando estuvo solo con Woody, ¡Forky cobró vida! ¡Bonnie había fabricado un verdadero juguete por sí sola!

De vuelta en casa, Woody reunió al resto de juguetes. —Chicos —dijo Woody—, quiero presentaros a Forky.

Los juguetes estaban asombrados. ¡Nadie había visto nunca a un juguete hecho con un utensilio desechable!
