Disney VAIANA

English story read by Ximena Holliday

Translation by Elvira Ortiz

Vaiana's grandmother, Tala, told her how to save the island. Years ago when the demigod Maui stole the heart of the goddess Te Fiti, the ocean gave it to Vaiana.

If she returned the heart to Te Fiti, she would restore life to the island. It was Vaiana's destiny to save her people.

La abuela de Vaiana, Tala, le dijo cómo salvar la isla. Años atrás cuando el semidiós Maui robó el corazón de la diosa Te Fiti, el océano se lo dio a Vaiana.

Si devolvía el corazón a Te Fiti, entonces la diosa devolvería la vida a la isla. El destino de Vaiana era salvar a su gente.
