This & That (affirmative)

1

Choose the correct option! Marca la traducción correcta de cada frase.

- | | | | |
|-------------------------|----------------------|----------------------|----------------------|
| 1. Eso es una puerta. | a) This a door. | b) It a door. | c) That's a door. |
| 2. Esto es una botella. | a) This is a bottle. | b) This's a bottle. | c) It this a bottle. |
| 3. Eso es un problema. | a) That a problem. | b) That's a problem. | c) It's a problem. |
| 4. Es una ventana. | a) It's a window. | b) Is a window. | c) This is a window. |

2

True or false? ¿La siguiente afirmación es correcta o incorrecta?

"That is" se contrae a **"that's"**. True
"This is" no se puede contraer. False

4

Write full sentences! Escribe frases completas con **"this"** y **"that"** como en el primer ejemplo.

- | | | | |
|--|----------------------------|--|-------|
| a)  revista | This is a magazine. | d)  vaso | |
| b)  puerta | | e)  ventana | |
| c)  bolígrafo | | f)  lápiz | |

**Watch out!**

¡**"A cup"** no es una 'copa'! Una **'copa'** o un **'vaso'** en inglés es **"glass"**.

5

Choose the odd one out! Marca la palabra que no encaja en la secuencia.

- a) paper - magazine - cup
- b) cat - window - door
- c) cup - sofa - glass

"Paper" como sustantivo incontable significa **'papel'**, pero también es la forma corta de **"newspaper"** (**'periódico'**). Pronúncialo /péipe(r)/.

7

Listening challenge! Escucha el audio y apunta en qué orden se escuchan las frases.

- | | |
|-----------------------------|---------------------------|
| a)
..... That's a glass. | b)
..... It's a chair. |
| This is a door. | That's a car. |
| 1. It's a window. | This is a chair. |
| This is a glass. | This is a bar. |
| That's a door. | That's a cat. |

E01

**Learn this!**

'Es una pena' se dice **"It's a pity"** y **'¡Qué pena!'** es **"What a pity!"**.

This & That (negative)

1

Change into the negative! ¡Convierte las frases a negativo!

- a) It's a chair.
- b) That's a tree.
- c) This is a holiday.
- d) That's a magazine.
- e) It's a newspaper.
- f) This is a problem.
- g) It's a joke.
- h) This is a meeting.
- i) It's a bag.
- j) That's a pencil.

Recuerda que “*joke*” no se pronuncia /youk/, que es como se diría la palabra “*yolk*” (*yema*). La “j” es un sonido parecido a la ‘ch’ castellana, pero más suave.

2

Choose the incorrect sentence!

Eige la frase incorrecta.

- a) That isn't a window.
 b) That not is a window.
 c) That is not a window.
 d) That's not a window.

4

Write full sentences! Escribe frases completas a partir de la información que te damos siguiendo el ejemplo.

 b) That isn't a newspaper.
 c) It's not a meeting.
 d) This isn't a cat.
 e) That's not a meeting.
 f) It's not a cat.

‘Reunión’ en inglés es “*meeting*”. La palabra “*reunion*”, /riúñian/, existe pero se usa para hablar de reencuentros familiares (“*a family reunion*”) o de reencuentros de colegio (“*a high school reunion*”).

E02

Whose...?

Como estamos subiendo de nivel, a partir de ahora
all instructions are in English!

1

Choose the correct translation of each question.

1. ¿De quién es eso?	a) Whose is that?	b) Who is that?
2. ¿De quién son estos?	a) Whose these are?	b) Whose are these?
3. ¿Quién es?	a) Who is it?	b) Whose is it?
4. ¿De quién son?	a) Whose are they?	b) Who's they?
5. ¿De quién es?	a) Whose is?	b) Whose is it?

2

Unscramble the questions! Put the words in order so that they form questions.

- a) THAT CAR IS WHOSE
- b) ARE WHOSE BAGS THOSE
- c) SHAMPOO IS WHOSE THIS
- d) IT WHOSE IS MONEY
- e) WAS WHOSE THIS LAPTOP
- f) THESE WERE SHOES WHOSE

Learn this!

Si quieras preguntar '**¿A quién le toca?**', di "**Whose turn is it?**". Literalmente significa '**¿De quién es el turno?**'.

3

Write questions based on what's underlined in the answers.

- a) It's Brad's.
- b) This is Vanessa's.
- c) Those are yours.
- d) This is Thomas's wallet.
- e) These notebooks are mine.
- f) It was Rachel's idea.
- g) That was my mother's necklace.
- h) Those were my granny's photos.

"**Granny**" es la manera informal de decir "**grandmother**". Otras formas cariñosas de decir '**abuela**' son "**grandma**", "**nan**" y "**nana**".

4

Complete the table!

	Singular	Plural
a)	Whose is it?
b)	Whose suitcases are these?
c)	Whose present is that?
d)	Whose was this?
e)	Whose earrings were those?

Recuerda que la "**w**" de "**whose**" es muda. "**Whose**" empieza por el sonido de la "**h**" inglesa y rima con "**blues**" y "**shoes**" ya que decimos /hhhuus/.

5

Listening challenge! Write down the order in which you hear the questions.

- | | | |
|---|--|---|
| a)
..... Whose are they?
..... Who's this?
..... Whose is this?
..... Whose is it?
..... Who's that? | b)
..... Whose shirt is this?
..... Whose skirt is that?
..... Whose shirts are those?
..... Whose skirts are these?
..... Whose shirt is that? | c)
..... Whose are those?
..... Whose are these?
..... Whose is that?
..... Whose are they?
..... Whose is this? |
|---|--|---|
