To expect (II).....	81	Short answers. To be.....	107

Even (I)

Nuestra palabra para 'incluso'.

Suele ir antes de los **verbos normales** (regulares e irregulares).

John habla muchos idiomas. Incluso habla polaco.	John speaks many languages. He even speaks Polish.
Ella fue a muchos países diferentes. Incluso fue a Djibuti.	She went to many different countries. She even went to Djibuti.
Él tiene una gran colección de cuadros. Incluso posee un Picasso.	He has a huge collection of paintings. He even owns a Picasso.
Ví a muchos antiguos amigos. Incluso ví a Paul.	I saw hundreds of old friends. I even saw Paul.
Él tiene todo tipo de reptiles. Incluso tiene serpientes.	He keeps all sorts of reptiles. He even keeps snakes.

Y después de los **verbos auxiliares** incluyendo "to be".

He comido toda clase de pescado. Incluso he comido tiburón.	I have eaten all kinds of fish. I have even eaten shark.
Sally sabe tocar todo tipo de instrumentos musicales. Incluso sabe tocar la gaita.	Sally can play all types of musical instruments. She can even play the bagpipes.
Frank forma parte de cualquier equipo posible. Incluso está en el equipo de ping-pong del barrio.	Frank is in every possible team imaginable. He's even in the local table tennis team.
Está lloviendo hoy en todas partes. Incluso está lloviendo en Sevilla.	It's raining everywhere today. It's even raining in Seville.
No sé lo que voy a hacer hoy. Igual incluso me quedo en casa.	I'm not sure what I'm going to do today. I might even stay at home.

Even (II)

Cuando queremos **hacer hincapié** en otro aspecto de una frase, también empleamos **“even”**.

Hay que colocarlo justo antes de lo que queremos enfatizar, como en castellano.

Soy un desastre en la cocina, pero hasta yo puedo preparar una tortilla.	I'm a disaster in the kitchen, but even I can cook an omelette.
Emily es antisocial, pero hasta ella se lo pasó bien.	Emily is antisocial, but even she enjoyed herself.
Paul era un alumno pésimo, pero hasta él logró aprobar.	Paul was a terrible student, but even he managed to pass.
Mis padres son reacios a la tecnología, pero hasta ellos utilizan Internet.	My parents are technophobes, but even they use Internet.
Mi mujer y yo no vamos al cine a menudo, pero incluso nosotros vimos aquella película.	My wife and I don't go to the cinema often, but even we went to see that film.

Como ves, a veces **“even”** se traduce por **'hasta'**.

En la sierra nieva con frecuencia, incluso en mayo.	It often snows in the mountains, even in May.
Mi hermano mayor es infantil, incluso ahora.	My older brother is childish, even now.
Me comí todo lo que había en el plato, hasta la piel.	I ate everything on the plate, even the skin.
Invitamos a la familia entera, hasta a mi primo el raro.	We invited the whole family, even my strange cousin.
Hasta mi coche consiguió llegar a la cima de la montaña.	Even my car managed to get to the top of the mountain.
